Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:01 Ratio & Supervision

Rule: 5180:2-12-19 Child Guidance
Code: The program is required to consult with the parent prior to implementing a specific behavior management plan.

Allegation: Teachers do not have an agreed upon behavior management plan in writing which involved the use of a weighted vest on a child.

Determination: Substantiated

Findings: During the inspection, it was determined the center did not follow the rule requirement when implementing a specific behavior plan as noted in numbers 1,2 below:

1. The center did not communicate and consult with the parent prior to implementing the plan which involved the use of a weighted vest on a child.
2. The center did not put the plan in writing and/or the plan was not signed by the parent which involved the use of a weighted vest on a child.
3. The plan was not consistent with the requirements of this rule.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Risk Level: Low
