Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Ohio Department of Children & Youth

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Ratio

Requirement: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member for 22 children was determined to have occurred for the Penguin group when the situation in number 11 below occurred:

1. A child care staff member stepped out of the room.

2. A child care staff member had not arrived at work on time.

3. Children were present who were not scheduled to be there.

4. A child care staff member was unable to work.

5. A child was injured in that group.

6. A child arrived in the group before a second staff member was scheduled to arrive with the group.

7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.

8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.

9. Ratio was doubled for more than two hours while children were napping.

10. Ratio was doubled while children were napping for a group that included at least one infant.

11. Ratio was doubled while children were napping and there were not enough staff members in the classroom to meet staff/child ratio when children were off their cots.

12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.

13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.

14. The child care staff member did not return to the group after allowing access to the school age only program.

15. Other [ ].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: 01 Ratio & Supervision

Rule: 5180:2-12-18 Attendance Records

Requirement: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number 1 below:

1. No attendance record was being maintained. (Cardinal Room)

2. The attendance record was not being consistently completed.

3. The record did not include the name of at least one child.

4. The record did not include the birth date of at least one child.

5. The record did not include the assigned group.

6. The record did not include the child's weekly schedule.

7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.

8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
