Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio
Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 11 child care staff member(s) for 1 children was determined to have occurred for the Preschool group when the situation in number(s) 8 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.

6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [ ].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/22/2023

Domain: 05 Health & Safety

Rule: 5101:2-12-22 Meal and Snack Requirements
Code: Meals and snacks provided or served by the program must include all required food groups and meet the recommended daily dietary allowances as specified by the USDA.

Finding: During the inspection, it was determined that a meal or snack at the program did not meet the requirements as noted in number(s) 1 below, in that blueberry muffins/banana bread and milk was served:

1. The breakfast served did not include foods from three of the four food groups.
2. Snack served did not include foods from two of the four food groups.
3. The meal did not provide 1/3 of the recommended daily dietary allowances as specified by the USDA.
4. Juice used to meet the fruit or snack component was not 100% undiluted fruit or vegetable juice.
5. The meal served did not include an item from the meat or meat alternative group.
6. The meal served did not include an item from the bread or grain group.
7. The meal served did not include two items from the fruit/vegetable group.
8. The meal served did not include a vegetable (two fruits were served).
9. The meal served did not include a serving of fluid milk.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/22/2023

Domain: 08 Staff Files

Rule: 5101:2-12-09 Background Check Requirements
Code: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart as noted in number(s) 4 below:

1. The request for a background check for child care was not submitted in the OPR.
2. The fingerprints were not submitted electronically according to the process established by BCI.
3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.
4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/22/2023

Domain: 09 Children's Files

Rule: 5101:2-12-15 Medical/Physical Care Plans
Code: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan for Child Care" on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the JFS 01236 "Child Medical/Physical Care Plan for Child Care" present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the JFS 01236.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children Records Review, with a condition that requires a JFS 01236 "Child Medical/Physical Care Plan" as noted in number(s) 5,6,7 below:

Low Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-02 Current Information
Code: The rule requires the program to keep their information current in OCLQS.

Finding: During the inspection, it was determined the information in number(s) 5 below was not up to date in the Ohio Child Licensing and Quality System (OCLQS):

1. Mailing address
2. Telephone number
3. Email address
4. Days and hours of operation
5. Services offered
6. Name of program
7. Private pay rates

Technical assistance was provided, and as discussed, log on to OCLQS and update the information, as required.

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision

Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Finding: During the inspection, it was determined that children were not being properly supervised as noted in number(s) 1 below, in that preschool children were observed goin into the restroom across the hall from the classroom without staff knowledge:

1. Child(ren) were not within both sight and hearing of a child care staff member during indoor play.
2. Child(ren) were not within both sight and hearing of a child care staff member during outdoor play.
3. Child(ren) were not within both sight and hearing of a child care staff member more than once.
4. Staff were not physically present in the space and near enough to respond and reach the child(ren) immediately.
5. Other: [ ].

Children must be supervised according to rule and within both sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/22/2023

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records
Code: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number(s) 5 below, in that 12 children were present in the preschool/school age group and 11 were marked in on the attendance rosters:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The tracking method did not remain with the group at all times;
5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-13 Handwashing Requirements
Code: The program is required to have all staff and children wash their hands as outlined in rule.

Finding: During the inspection, it was determined that handwashing requirements were not followed as listed in number(s) 1,4 below, as required in rule.

1. At least one staff/child did not wash their hands upon arrival for the day.
2. At least one staff/child did not wash their hands prior to departure.
3. At least one staff did not wash their hands upon entry into a classroom.
4. At least one staff/child did not wash their hands after toileting or assisting a child with toileting.
5. At least one staff/child did not wash their hands after each diaper change or pull-up change.
6. At least one staff did not wash their hands after contact with bodily fluids or cleaning up spills or objects contaminated with bodily fluids.
7. At least one child did not wash their hands after contact with bodily fluids.
8. At least one child did not wash their hands after returning inside after outdoor play.
9. At least one staff did not wash their hands after cleaning or sanitizing or using any chemical products.
10. At least one staff/child did not wash their hands after handling pets, pet cages or other pet objects that have come in contact with the pet.
11. At least one staff did not wash their hands before eating, serving or preparing food or bottles or feeding a child.
12. At least one child did not wash their hands before eating or assisting with food preparation.
13. At least one staff did not wash their hands before and after completing a medical procedure or administering medication.
14. At least one child did not wash their hands after water activities.
15. At least one staff/child did not wash their hands when visibly soiled (must use soap and water).
16. Other [ ].

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
