Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-12 Safe Equipment

Requirement: The program is required to refrain from using space heaters unless it has been approved by a fire official.

Finding: During the inspection, it was determined that a space heater which had not been approved by a fire official was in use in the area identified in number(s) 1 below:

1. The administrator's office.
2. A classroom.
3. The break room.
4. Several classrooms.
5. The hallway.
6. The entry way.
7. Other [ ].

The use of this space heater must be discontinued until approval for its use has been obtained. Submit the program's corrective action plan, which includes written fire approval for use of this space heater or a written statement that the space heater is no longer being used at the program, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 01/04/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Medical/Physical Care Plans

Requirement: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan for Child Care" on file at the program for any child having a health condition and must implement and/or follow instructions on the plan. The program is required to have staff trained to perform the procedures on the JFS 01236 "Child Medical/Physical Care Plan for Child Care" present at the program when the child requiring the procedure is onsite. Only staff who have been trained shall be permitted to perform the procedures listed on the JFS 01236.

Finding: In review of the children's records, it was determined the program did not meet the requirements for caring for at least one child, indicated on the Children Records Review, with a condition that requires a JFS 01236 "Child Medical/Physical Care Plan" as noted in number(s) 22,23,27,28 & 29 below:

1. No plan was on file.

(Page 1)

12. Dosage of medication/medical food to be administered was missing or not attached.

13. Time for medication/medical food to be administered was missing or not attached.

14. Expiration date for medication/medical food was missing or not attached.

15. Symptoms that require staff to administer medication/medical food were missing or not attached.

16. Specific instructions to administer the medication/medical food were missing or not attached.

17. Actions to be taken if the symptoms do not subside were missing or not attached.

18. Physician's signature was missing or not attached.

19. The date of the physician's signature was missing or not attached.

(Page 3)

20. Child's name was missing.

21. Instructions regarding emergency evacuation, if applicable, were missing.

22. Signature of parent granting permission to implement the plan and verifying training was missing.

23. Date of parent signature was missing.

24. Certified Professional Trainer information was missing.

25. Signature of certified professional who trained the program staff was missing, if parent was not the trainer.

26. Date of trainer signature was missing.

27. Printed name(s)of child care staff member(s) who have received instructions for care and/or have been trained to perform the procedure were missing.

28. Signature(s) of child care staff member(s) who have received instructions for care and/or have been trained to perform the procedure were missing.

29. Date of staff signature was missing.

30. Administrator/Provider signature was missing

31. Date of administrator/Provider was missing.

(Page 4)

32. Child's name was missing.

33. Name of medication or medical food was missing.

34. Date the medication/medical food was administered was missing.

35. Time medication/medical food was administered was missing.

36. Dosage of medication/medical food that was administered was missing.

37. Signature of person administering medication/medical food was missing.

38. The plan was not followed or implemented.

39. The plan was not able to be implemented due to conflicting information.

40. None of the child care staff members trained in the procedures on the JFS 01236 were onsite when a child requiring the plan was present.

41. Child care staff members trained in the procedures on the JFS 01236 were not scheduled to be present the entire the time the child requiring the plan was onsite.

42. None of the child care staff members trained in the procedures on the JFS 01236 accompanied the child requiring the plan during a trip.

43. A child care staff member who had not been trained in the procedures on the JFS 01236 performed the procedure.

44. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed JFS 01236, to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-08 Medical Statement

Requirement: The program staff's medical statements are required to be completed and on file at the program.

Finding: In review of the staff records, it was determined that the medical statements for the employees listed on the Employee Record Chart did not meet the requirements as listed in number(s) 2 below.

1. A medical statement was not on file for at least one employee;

2. The medical statement(s) on file did not have a date of examination within 12 months of the employee's first day of employment;

3. Date of examination was missing;

4. Signature, business address, or telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination was missing;

5. A statement was missing that verifies the employee is:

   a. Physically fit for employment in a program caring for children;

   b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);

   c. Immunized against Measles, Mumps, and Rubella (MMR);

6. Tuberculosis (TB) screening/test information was missing:

a. Documentation of the screening process to determine if the employee resided in a country identified by the world health organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment.

b. Results of a TB test for employees meeting both criteria in 6a.

c. Results of additional testing for employees with a positive TB test.

d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.
