# Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

## Complaint Allegations

*If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.*

**Domain:03 Postings & Equipment**

Rule: 5180:2-12-17 Materials and Equipment
Code: The program is required to provide equipment appropriate for the children in the program in sufficient quantities that all children can be actively involved. Play materials must be accessible to the children and arranged in an orderly manner.

Allegation: The complainant alleged that the toddlers were being care for in a space that did not have appropriate equipment and materials available for the children

Determination: Substantiated

Findings: During the inspection, it was determined that equipment, materials and furnishings provided for indoor and outdoor play did not meet the requirement of the rule as noted in number(s) 1,2,3 below.

1. Equipment and materials were not varied and adequate to meet the developmental needs of the children.
2. Equipment and materials were not provided in a sufficient quantity that each child can be actively involved in an activity.
3. Play materials were not readily accessible to the children in the toddler group that was moved to the patio area of the schoolage classroom.
4. Play materials were not arranged in an orderly manner so that children have opportunities to select, remove and replace play materials with minimal assistance during the day in the [ ] classroom.
5. Durable, child-sized or safely adapted furniture was not provided for children in the [ ] classroom.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Risk Level: Low
