Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: 02 Safe & Sanitary Environment

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to store chemicals and machinery in a place that is inaccessible to children. The program is required to provide an outdoor play area away from machinery in operation.

Finding: "During the inspection, a potentially hazardous item or toxic substance was used or stored in the electrical room in the school-age classroom that was unlocked and accessible to the children.

The following was observed: Electrical room in school-age classroom was unlocked. Inside was access to a hot water tank and gallons of bug spray. There was a "No Kids" sign on the door but it was unlocked.

Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance or item is no longer accessible to children and door will remain locked.

Corrective Action Plan Due: 08/20/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

No other non-compliances were observed during this inspection

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 08 Staff Files

Rule: 5180:2-12-07 Administrator Responsibilities/Requirements

Requirement: The program administrator is required to maintain current employee records in the Ohio Professional Registry.

Findings: During the inspection, it was determined employment records are missing or incomplete in the OPR as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.
