Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Ohio Department of Children & Youth

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Ratio

Requirement: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 childcare staff member for 13 children was determined to have occurred.

The following was observed: Upon arrival at the program, school age, infants and toddlers were combined. The youngest child was 15 months.

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/18/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-09 Background Check Requirements

Requirement: The program is required to have all staff request background checks as required and receive a DCY 01176 or preliminary approval from DCY prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart.

The following was observed:• The request for a background check for child care was not submitted in the OPR.

Submit the program's corrective action plan, which includes a copy of the DCY 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-12-03 Inspection Requirements

Requirement: The program is required to respond to noncompliances by the date noted in the inspection report.

Finding: During the inspection, it was determined the program had not responded to the non-compliances addressed in the inspection report dated 7/23/25. The rule requires the program to complete and submit a corrective action plan in the Ohio statewide licensing system to address non-compliances detailed in written inspection reports within the timeframe outlined in the report.

Submit the program's corrective action plan, which includes a statement that current and future corrective action plans will be submitted timely, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/18/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined that children were not protected from item(s) or condition(s) which may threaten their health, safety, or well-being.

The following was observed: • Employee purses in the toddler/infant area • A rug in the school age area caused a tripping hazard • a door was unlocked in the school age area with glass and exposed inactive wires • an inactive cord was exposed in the preschool room

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/18/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to store chemicals and cleaning and sanitizing supplies in a place that is inaccessible to children. Cleaning agents, aerosol cans and chemical substances must be stored in their original container or clearly labeled. School-age children may use cleaning supplies and equipment with adult supervision.

Finding: During the inspection, a potentially hazardous substance, which was determined to not present a serious risk to a child, was not used or stored properly

The following was observed: • Disinfecting wipes were accessible to children in the toddler eating area • Hand lotion was accessible to children in the preschool area Disinfecting sprays were accessible to children in the preschool area on top of the microwave • a spray mop with cleaning solution in it was stored outside the toddler room door.

Provide staff training. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/18/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Space Requirements

Requirement: The program is required to have an outdoor play space free from trash and foreign objects.

Finding: During the inspection, it was determined that the outdoor play space was not free of conditions that pose a risk of harm to children.

The following was observed: • The outdoor area was littered with trash • There was broken pieces of plastic. • There were tall weeds and grass • There was a broken piece of a dollhouse

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/18/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Play Fall Zones

Requirement: The program is required to provide fall zones around equipment to prevent injury if a child were to fall.

Finding: During the inspection, it was determined the fall zone under and around equipment designated for climbing, swinging, balancing and sliding did not meet the requirements.

The following was observed:

• All loose fill materials were not raked to retain their proper distribution, shock-absorbing

properties under the swings and metal dome climber.

• The fall zone was less than 6 feet from the fence and building for equipment (metal dome climber) used by children 24 months of

age and older

• The fall zone was less than 9 feet from each piece of applicable equipment used by children

24 months of age and older.

• There was not a fall zone of 3 feet in all directions from the perimeter of the equipment used

by children 23 months of age and younger

The program is required to provide adequate fall zones under and around outdoor play equipment at all times. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
