Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-13-20 Crib and Playpen Requirements

Requirement: The program staff is required to place infants in a crib or playpen with no strangulation hazards.

Finding: During the inspection, it was determined that an infant was placed in a crib with the following suffocation or strangulation hazard: a blanket and a soft toy. Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 08/27/2026

Domain: **09 Children's Files**

Rule: 5180:2-13-25 Medication Storage

Requirement: The program is required to store medication out of the reach of children.

Finding: During the inspection, it was determined medication was in the reach of children. An inhaler was on the couch in the sleep room with children. Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 08/27/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-13-03 Inspection Requirements

Requirement: The program is required to respond to all non-compliances by the date noted in the inspection report.

Finding: During the inspection, it was determined the program had not responded to non-compliances 798759, 798760, 798762, 798764, and 798765 addressed in the inspection report dated 1-7-2026. The rule requires the program complete and submit a corrective action plan in the Ohio statewide licensing system to address non-compliances detailed in written inspection reports within the timeframe outlined in the report. Submit the program's corrective action plan, which includes a statement that current and future corrective action plans will be submitted timely, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/27/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-13-12 Safe Environment

Requirement: The program is required to store cleaning and sanitizing supplies in a place that is inaccessible to children. Cleaning agents, aerosol cans and chemical substances must be stored in their original container or clearly labeled. School-age children may use cleaning supplies and equipment with adult supervision.

Finding: During the inspection, cleaning and sanitizing equipment and supplies were not used or stored properly.

The following was observed: aerosol air fresheners were accessible in the bathroom and sleep room.

Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance is no longer accessible to children and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/27/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-13-12 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined that children were not protected from item(s) or condition(s) which may threaten their health, safety, or well-being.

The following was observed: Cords and uncovered outlets were accessible in the sleep room.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/27/2026

Domain: **05 Health & Safety**

Rule: 5180:2-13-16 Emergency Preparedness and Response Plan

Requirement: The program is required to have a completed emergency preparedness and response plan.

Finding: During the inspection, it was determined the program's written emergency preparedness and response plan did not meet the requirement or was missing the information.

The following was observed missing: procedures to prepare for and respond to medical or dental emergencies, including emergency transportation; emergency numbers for medical, dental, and transport related emergencies, in addition to 911; the location of supplies and procedures for gathering necessary supplies for staff/children if required to shelter in place; contact with local emergency management officials; section 2 b) "Procedures to follow to assist children with special needs and/or health conditions and accommodate infants and toddlers during disasters of emergencies" did not include toddlers.

The EPRP also contained two different evacuation locations.

Submit the program's corrective action plan, which includes the missing information, if applicable, to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/27/2026

Domain: **06 Program Information**

Rule: 5180:2-13-14 Requirements for Field and Routine Trips

Requirement: The program is required to obtain written parental permission before leaving the premises and retain the forms for at least one year from the date of the trip. Routine trip permission forms must be updated annually.

Finding: In review of the program's records, it was determined that requirements for written permission from the parent/guardian for a routine trip were not met.

The following was observed: routine trip permission forms were expired.

Submit the program's corrective action plan to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/27/2026

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-13-23 Infant Bottle and Food Preparation

Requirement: The program staff is required to have all bottles labeled.

Finding: During the inspection, it was determined that bottles containing milk/formula for a particular infant were not labeled with the child's name and date of preparation. Submit the program's corrective action plan to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/27/2026

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-13-23 Infant Bottle and Food Preparation

Requirement: The program is required to retain and update infant feeding instructions.

Finding: During the inspection, it was determined that written instructions for feeding the infants noted on the Children Record Review form were not on file, as required by this rule. Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 08/27/2026

Domain: **08 Staff Files**

Rule: 5180:2-13-08 Employee Requirements

Requirement: The program is required to have every employee provide immunization records.

Finding: In review of the staff records, it was determined that the immunization records for Tdap and MMR for a child care staff member did not meet the requirement.

The following was observed: a child care staff member did not have documentation of immunizations against tetanus, diphtheria and pertussis (Tdap) and measles, mumps and rubella (MMR) or a written or electronic statement of immunization exemption for reasons of conscience, including religious convictions or medical reasons.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/27/2026

Domain: **08 Staff Files**

Rule: 5180:2-13-08 Child Care Staff Requirements

Requirement: The program is required to have staff complete the online staff orientation training. Additionally, the training must be completed before they are permitted to have sole responsibility of children.

Finding: In review of the staff records, it was determined that child care staff member(s) did not meet the requirements for completing the online orientation training.

The following was observed: a child care staff member did not have record of completing the online orientation training.

Submit the program’s corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/27/2026

Domain: **08 Staff Files**

Rule: 5180:2-13-10 Professional Development

Requirement: The program is required to ensure child care staff, including substitutes used more than ninety days annually, complete at least six clock hours of training annually.

Finding: In review of the staff records, it was determined that at least one child care staff member did not meet the annual professional development requirement.

The following was observed: Between July 2025 and June 2026, the provider did not complete 6 professional development hours. In this time period, a child care staff member did not complete 6 professional development hours.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/27/2026

Domain: **09 Children's Files**

Rule: 5180:2-13-15 Child Immunization Records

Requirement: The program is required to have an immunization record on file for each child.

Finding: In review of of the children's records, it was determined that immunization records were not on file, as required.

The following was observed: for one child, the immunization record had not been updated.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

.

Corrective Action Plan Due: 08/27/2026

Domain: **09 Children's Files**

Rule: 5180:2-13-15 Child Enrollment Records

Requirement: The program is required to have a completed DCY 01234 "Child Enrollment and Health Information for Child Care" or equivalent on file on the premises for each child.

Finding: In review of the children's records, it was determined that information had not been secured from the parent/guardian on the DCY 01234 "Child Enrollment and Health Information For Child Care" or equivalent as required.

The following was observed as missing: annual update.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/27/2026

Domain: **10 Written Policies & Procedures**

Rule: 5180:2-13-07 Written Policies and Procedures

Requirement: The program is required to provide appendix D to this rule to all parents.

Finding: During the inspection, it was determined that parent(s) of the children enrolled in the program were not provided with a copy of appendix D to this rule. Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 08/27/2026

Domain: **10 Written Policies & Procedures**

Rule: 5180:2-13-07 Written Policies and Procedures

Requirement: The program is required to have policies and procedures for all items listed in this rule.

Finding: On the day of the inspection, the program’s written policies and procedures provided to the parents/guardians and employees was missing item(s).

The following was observed as missing: a written security plan that ensures access to the home is limited to parents/guardians/authorized persons; a section regarding usage of emergency medical devices and emergency medications; a policy regarding social media; a policy to prohibit staff members and employees from exposing children to inappropriate language/media/behavior; a section regarding if the program provides formal screenings and assessments and if the program reports child level data to DCY.

The following was observed as outdated/conflicting information: The days and hours of operation stated the program is closed on Saturdays; staff/child ratios stated 6 children instead of 7; the provider's pay rates did not match the amounts on OSLS.

Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule.
