Rule: 5101:2-12-08 Child Care Staff Member Educational Requirements
Code: The program staff is required to have education documentation translated and shown as equivalent to a high school education.

Finding: In review of the staff records, it was determined that the child care staff member listed on the Employee Record Chart had educational information on file that could not be verified as recognized by the state board of education or the appropriate agency of another state or country as equivalent to the completion of a high school education. The rule requires a child care staff member to provide evidence of the completion of a high school education. Submit the program's corrective action plan, which includes a copy of the educational information and/or equivalency report, to the Department to verify compliance with the requirements of this rule.
