Summary of Non-Compliances

If a program disagrees with an inspection finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-18-04 details the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the inspection report.

Non-Compliances

This section includes rule violations that are observable and/or based on facts.

Domain: 23 Medication

Rule: 5101:2-18-11 Medication and special health needs
Requirement: Approved day camps must appropriately store and administer medications.

Findings: "During the inspection it was determined that requirements for the administration of medications were not met in the number(s) 2 below:

1. A prescription medication was not stored in the original container with a label that includes the child's full name, a current dispensing date within the previous twelve months, and exact dosage and directions for use.

2. A medication or topical product was administered for a period of time beyond the date indicated by the physician, physician's assistant, advanced practice nurse certified to prescribe medication, or licensed dentist, on the prescription label, for twelve months from the date on the form, or after the expiration date on the medication, whichever comes first.

3. A non-prescription medication was not stored in the original container with a manufacturer's label containing directions based on the age and/or weight of the child.

4. A nonprescription medication dosage exceeded the prescribed dosage or the manufacturer's recommended dosage.

5. Written permission to administer the medication was not obtained from the parent.

Andrew A had expired medication.

Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 07/18/2026

Domain: 26 Staff Requirements

Rule: 5101:2-18-06 Staff Requirements
Requirement: Employees are required to be at least 15 years of age and have a profile within the Ohio professional registry (OPR).

Findings: "During the inspection, it was determined that employee(s) did not meet the requirements in the number(s) 2 below:

1. Be at least fifteen years of age.

2. Did not have a profile in the OPR on the first day of employment.
