Domain: 01 Ratio & Supervision

Rule: 5180:2-12-18 Ratio
Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Allegation: Allegedly the program does not maintain required staff:child ratios.

Determination: Substantiated

Findings: During the inspection, a ratio of one (1) child care staff member for eight (8) children was determined to have occurred for the Butterflies group (older infants/young toddlers).
The following was observed:
-As children arrived a second staff member was not present/summoned. The staff member was waiting for another staff member to come.
Review procedures for arrival times with staff so ratios will/cab be maintained, additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
