Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No moderate risk non-compliances were observed during this inspection

Ohio Department of Children & Youth

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-13-11 Outdoor Space

Requirement: The program is required to have an outdoor play space free from immediate risk.

Finding: During the inspection, it was determined that an outdoor play area was used which was not protected from traffic and other hazards by a fence in good repair, or other barrier. Although the fence or natural barrier was not meeting the rule requirements, it was determined to not present an immediate risk for a child to be able to leave the playground. The fence or gate was not in good repair and/or being used inappropriately.

The following was observed: the gate did not have a functioning latch, the temporary fencing was sagging, and a gap big enough for a child to exit was observed on each end of the temporary fencing.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/24/2026

Domain: **05 Health & Safety**

Rule: 5180:2-13-16 Emergency Preparedness and Response Plan

Requirement: The program is required to have a completed emergency preparedness and response plan.

Finding: During the inspection, it was determined the program's written emergency preparedness and response plan did not meet the requirement or was missing the information.

The following was observed missing: The following sections referenced child care staff members/employees even though the provider is the only staff member at this time - procedures for making the EPRP available to child care staff members and employees; procedures for training of staff or reassignments of staff duties; and procedures for contact with local emergency management officials.

Please remove mentions of child care staff members/employees from these sections. When you respond to the Corrective Action Plan, only upload these sections, and not the entire document. Submit the program's corrective action plan, which includes the corrected information, if applicable, to verify compliance with the requirements of this rule.

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 08 Staff Files

Rule: 5180:2-13-10 Professional Development

Requirement: The program is required to ensure child care staff, including substitutes used more than ninety days annually, complete at least six clock hours of training annually.

Findings: During the inspection, it was determined the provider did not complete 6 hours of professional development as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 10 Written Policies & Procedures

Rule: 5180:2-13-07 Written Policies and Procedures

Requirement: The program is required to have policies and procedures for all items listed in this rule.

Findings: During the inspection, it was determined the provider did not maintain the parent handbook as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections.

- The Basic Daily Schedule should end at 11:00pm in line with the Hours of Operation, and not 11:45pm.

- The section regarding non-traditional care (provided from 7pm-6am) should remove mentions of overnight care, as the program closes at 11pm. However, this section must retain information regarding the program's evening care (7pm-12am), as the program provides evening care between the hours of 7pm-11pm.

A written response is not required at this time.
