Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Rule: 5180:2-12-04 Fire Inspection

Requirement: The program is required to have all spaces used for child care inspected by the fire department or the state fire marshal's office prior to serving children. The program is required to obtain a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection. If violations are noted during the inspection, the program is required to have all violations corrected and have the program re-inspected to obtain a completed fire form.

Finding: During the inspection, it was determined the program did not meet the requirements for fire inspection.

The following was observed: The program did not have documentation on file for a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection and the request for the new inspection was not made at least 30 days prior to the expiration of the previous fire inspection.

Submit the program's corrective action plan, which includes an updated fire inspection without any uncorrected violations, to the Department to verify compliance with the requirements of this rule.

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **05 Health & Safety**

Rule: 5180:2-12-22 Meal Preparation and Nutritional Requirements

Requirement: The program is required to provide food that does not pose as a choking hazard and is appropriate for the age of the children.

Finding: During the inspection, it was determined that the Young Infant, Toddler, and Preschool groups were offered large, whole olives, which posed a choking hazard. Submit the program's corrective action plan to the Department to verify compliance with the requirements of the rule.

Rule: 5180:2-12-09 Background Check Requirements

Requirement: The program is required to maintain a current DCY 01176 "Program Notification of Background Check Review for Child Care" on file for each staff.

Finding: In review of the staff records, it was determined that background check requirements had not been followed, for the individual(s) listed on the Employee Record Chart.

The following was observed: The DCY 01177 "Individual Notification of Background Check Review for Child Care" was on file instead of the DCY 01176.

Submit the program's corrective action plan, which includes a statement that the correct form is now on file, to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-16 Emergency Preparedness and Response Plan

Requirement: The program is required to have an emergency preparedness and response plan (EPRP).

Finding: During the inspection, it was determined the program's emergency preparedness and response plan (EPRP) did not meet the requirement or was missing the information.

The following was observed as missing: Emergency numbers for medical, dental, and transport-related emergencies in addition to 9-1-1;

Procedures for assisting infants, toddlers, and children with special needs and/or health conditions;

Contact with local emergency management officials.

Make the necessary revisions to the EPRP. Submit the program's corrective action plan, which includes the revised information, to the Department to verify compliance with the requirements of this rule.
