Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Rule: 5180:2-12-25 2026 Medication Documentation

Requirement: The program is required to obtain parent permission and retain current documentation to administer medications. The program is required to administer medication only if it has the prescription label attached or had written instructions from a licensed physician. The program is also required to have each medication to be administered stored in its original container.

Finding: During the inspection, it was determined the program did not meet the requirement(s) for administering a medication or medical food or a prescription topical product to a child.

The following was observed: written permission from a parent was not on file for a medication, medical food, or prescription topical product; parent instructions conflict with either the manufacturer or physician instructions

Submit the program's corrective action plan, which includes the completed written parent permission for each child needed, record of medication administration, verification that the prescription label is now attached, and/or verification that the medication or product is now in its original container, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/04/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-12-02 Current Information

Requirement: The rule requires the program to keep their information current in the Ohio statewide licensing system.

Finding: During the inspection, it was determined that information was not up to date in the Ohio statewide licensing system.

The following information was not current: private pay rates

Submit the program's corrective action plan to the Department to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 11/04/2026

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-19 Supervision

Requirement: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Finding: During the inspection, it was determined that children were not being properly supervised.

The following was observed: staff were not near enough to observe, respond, and anticipate reasonably foreseeable hazards and threats as a preschool 2 teacher was in bathroom helping a child with the door closed and no other teacher was available in the classroom.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/04/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-20 Cots and Napping - Equipment and Environment

Requirement: The program is required to provide enough cots or mats for each child in attendance to be assigned their individual cot/mat. Cots and mats must be firm, resilient, and in good condition.

Finding: During the inspection, it was determined that cots or mats did not meet the requirements.

The following was observed: the program did not have enough individually assigned cots and/or mats for each child in older infants.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/04/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-13 Sanitary Equipment and Environment

Requirement: The program is required to provide a clean restroom with the appropriate materials available.

Finding: During the inspection, it was determined that unsanitary conditions were in the preschool 1, preschool prep and prek 2 restroom:

The following was observed: the toilet(s) were not flushed in preschool 1, the lid on the diaper receptacle in preschool prep was not closed, and toilet tank was cracked and leaking in prek 2.

The restroom(s) must be kept sanitary at all times. Submit the program's corrective action plan to the Department to verify compliance with the requirement of this rule.

Corrective Action Plan Due: 11/04/2026

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-13 Sanitary Equipment and Environment

Requirement: The program is required to follow the cleaning schedule for equipment.

Finding: During the inspection, it was determined that the environment, furniture, materials, and/or equipment were not kept in a sanitary condition at all times.

The following was observed: cot sheets were not stored in a sanitary condition.

The center shall be cleaned daily. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/04/2026

Domain: **03 Postings & Equipment**

Rule: 5180:2-12-16 Emergency Postings

Requirement: The program is required to post the fire and weather plans.

Finding: During the inspection, it was determined that the fire and/or weather alert plans did not meet the requirement of the rule.

The following was observed: fire alert plan, including a diagram indicating evacuation routes was missing; weather alert plan was missing details for fire and weather; weather alert plan was missing a diagram indicating evacuation routes in older infants and prek 2.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/04/2026

Domain: **03 Postings & Equipment**

Rule: 5180:2-12-17 Materials and Equipment

Requirement: The program is required to have enough equipment for all children in care.

Finding: During the inspection, it was determined that equipment and materials in the following categories were not provided in sufficient quantities for children in the older infant, toddler, early preschool, preschool pathways,

preschool 1, prek 2 classroom, as required: at supplies (excludes infants); manipulative materials and equipment; science-nature equipment (excludes infants); language arts and auditory materials and equipment; music equipment; transportation materials and equipment; sensory motor equipment.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of the rule.

Corrective Action Plan Due: 11/04/2026

Domain: **03 Postings & Equipment**

Rule: 5180:2-12-17 Materials and Equipment

Requirement: The program is required to have quiet areas available.

Finding: During the inspection, it was determined that the program's environment did not provide for a quiet area in the older infant and toddler classroom.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/04/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Space Requirements

Requirement: The program is required to have an outdoor play space free from immediate risk.

Finding: During the inspection, it was determined that an outdoor play area was used which was not protected from traffic and other hazards by a fence in good condition, or other barrier. Although the fence or natural barrier was not meeting the rule requirements, it was determined to not present an immediate risk for a child to be able to leave the playground. The fence or gate was not in good condition and/or being used inappropriately.

The following was observed: the gate was broken and did not close from the red truck playground to the swing playground.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/04/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Space Requirements

Requirement: The program is required to have an outdoor play space free from trash and foreign objects.

Finding: During the inspection, it was determined that the outdoor play space was not free of conditions that pose a risk of harm to children.

The following was observed: there were tall weeds; there were thistles with prickers in the front and small swing playgrounds, hole in padding on splash pad playground.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/04/2026

Domain: **05 Health & Safety**

Rule: 5180:2-12-22 Meal Preparation and Nutritional Requirements

Requirement: The program is required to label individual bottles of water with each child's name.

Finding: During the inspection, it was determined that individual bottles of water were not labeled with each child's name. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/04/2026

Domain: **05 Health & Safety**

Rule: 5180:2-12-16 Incident/Injury Reporting

Requirement: The program is required to complete the DCY 01299 "Incident/Injury Report" for injuries and incidents at the program, provide a copy to the person who picks the child up on the day of the incident, and retain a copy of the form onsite at the program for one year.

Finding: In review of the records, it was determined the program did not meet the requirements for completing a DCY 01299 "Incident/Injury Report".

The following was observed: Whether or not parents were contacted was incomplete on the DCY 01299 and the name and/or signature of the person completing the form was incomplete on the DCY 01299.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/04/2026

Domain: **05 Health & Safety**

Rule: 5180:2-12-16 First Aid/Standard Precautions

Requirement: The program is required to have a first aid kit onsite.

Finding: During the inspection, it was determined first aid kit(s) at the program had missing items that are required by this rule to be contained in a first aid kit.

The following was observed: band-aids were missing in staff room kit.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/04/2026

Domain: **06 Program Information**

Rule: 5180:2-12-14 Transportation and Field Trip Procedures

Requirement: The program is required to have staff trained in CPR, First Aid, and Communicable Diseases on all trips.

Finding: During the inspection, it was determined that a person trained in cardiopulmonary resuscitation (CPR), first aid and management of communicable disease, had not been present in the vehicle for routine trips as required by the rule:

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Secure current training for the area needed or restructure the staff who are currently trained on the vehicle during routine trips and field trips. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/04/2026

Domain: **07 Diapering & Infant Care**

Rule: 5180:2-12-20 Cribs - Safe Environment and Practices

Requirement: The program is required to obtain written permission from parents of children who are over 12 months old and will using a cot/mat instead of a crib.

Finding: During the inspection, it was determined that an infant who was 12 months or older was assigned to a cot without written permission from the parent, as required by this rule. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/04/2026

Domain: **08 Staff Files**

Rule: 5180:2-12-08 Child Care Staff Member Educational Requirements

Requirement: The program staff is required to have educational verification on file at the program.

Finding: In review of the staff records, it was determined that verification of a high school education for the child care staff member(s) listed on the Employee Record Chart, did not meet the requirements.

The following was observed: verification of completion of a high school education was not on file; documentation was incomplete or not on file for a high school junior or senior who is enrolled in a career-technical program.

Submit the program's corrective action plan, which includes a copy of the education verification, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/04/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Enrollment Records

Requirement: The program is required to have a completed and updated DCY 01234 "Child Enrollment and Health Information For Child Care" or equivalent form on file for each child enrolled.

Finding: In review of 25% of the children's records, it was determined that information had not been secured from the parent/guardian on the DCY 01234 "Child Enrollment Form for Early Care and Education Programs" or equivalent form as required.

The following was observed as missing: health information

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/04/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-15 Child Health Care Plans

Requirement: The program is required to ensure that there is at least one child care staff member who has signed the DCY 01236 or equivalent form caring for the child at all times when a child with a health condition is present.

Finding: During the inspection, it was determined a child with a condition that required a DCY 01236 "Health Care Plan Documentation & Permission to Administer Medication" or equivalent form had been present and the program did not ensure there was at least one child care staff member caring for the child at all times who had signed the form on the child's condition. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/04/2026

Domain: **09 Children's Files**

Rule: 5180:2-12-25 2026 Medication Documentation

Requirement: The program is required to use the appropriate form and retain current documentation to administer medications, medical foods and topical products. The program is also required to obtain separate documentation for each medication/product and child.

Finding: During the inspection, it was determined the program did not meet the requirements for administering medication to a child.

The following was observed: Rx label expired

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/04/2026

Domain: **10 Written Policies & Procedures**

Rule: 5180:2-12-16 Emergency Preparedness and Response Plan

Requirement: The program is required to have an emergency preparedness and response plan (EPRP).

Finding: During the inspection, it was determined the program's emergency preparedness and response plan (EPRP) did not meet the requirement or was missing the information.

The following was observed as missing: mental or dental emergencies, including emergency transportation; weather emergencies and natural disasters, including major snowfall, blizzards, ice storms; emergency or evacuation and relocation procedures due to hazardous materials and spills, gas leaks, or bomb threats; or due to threats of violence which include active shooter, bioterrorism, or terrorism; outbreaks, epidemics, or other infectious disease

emergencies; emergency numbers for medical, dental, and transport-related emergencies in addition to 9-1-1; procedures for assisting toddlers, and children with special needs and/or health conditions; procedures for communicating with parents during loss of communications when no phone or internet service is available; making the plan available to all child care staff members and employees; training of staff or reassignment of staff duties as appropriate; contact with local emergency management officials

Make the necessary revisions to the EPRP. Submit the program's corrective action plan, which includes the revised information, to the Department to verify compliance with the requirements of this rule.
