Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Rule: 5180:2-12-09 Background Check Requirements

Requirement: The program is required to have all staff request background checks as required and receive a DCY 01176 or preliminary approval from DCY prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart.

The following was observed: The request for a background check for child care was not submitted in the OPR

Submit the program's corrective action plan, which includes a copy of the DCY 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-12-04 Food Service Requirements

Requirement: The program is required to obtain written permission from the food service license holder if operating under the food service license of another entity at the same location.

Finding: During the inspection, it was determined the program was operating under a food service license held by another entity at the same location and did not have written documentation granting permission from that entity. Submit the program's corrective action plan, which includes a copy of the written documentation granting permission, to the Department to verify compliance with the requirements of this rule.

Rule: 5180:2-12-02 Current Information

Requirement: The rule requires the program to keep their information current in the Ohio statewide licensing system.

Finding: During the inspection, it was determined that information was not up to date in the Ohio statewide licensing system.

The following information was not current: Days and hours of operation and Services offered

Submit the program's corrective action plan to the Department to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 09/04/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Play Fall Zones

Requirement: The program is required to provide fall zones around equipment to prevent injury if a child were to fall.

Finding: During the inspection, it was determined the fall zone under and around equipment designated for climbing, swinging, balancing and sliding did not meet the requirements.

The following was observed: A fall zone hazard was present, in that, an exposed root posed a risk of injury if a child were to fall from

a piece of equipment.

The program is required to provide adequate fall zones under and around outdoor play equipment at all times. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
